The image shows a rectangular cardboard box for Noly Tacos. The box is primarily dark blue with a white border. On the front panel, the brand name 'NOLY' is printed in large, white, serif capital letters within a dark blue rectangular box. Below this, the text 'CICLOPUS IN GALICIAN TOMATO SAUCE' is written in smaller white capital letters. Underneath that, the word 'TACOS' is printed in large white capital letters, followed by 'en salsa gallega' in a smaller white font. The top of the box features a photograph of a plate of food, which is the taco filling shown in the foreground. The foreground shows a white plate filled with numerous small, round, golden-brown fried pieces of octopus, likely ciclopus, served with a red tomato sauce. A green leafy garnish is visible on the left side of the plate. The box is set against a plain white background.
